“ Marie is my dear sister whom I have always loved. I am totally persuaded that she was a Christian and that she is with the Lord right now. I plan to see her again someday.

“ Bessie Marie Amos is my aunt. We shared a birthday and have always been very close. For years we have talked on phone several times a month, sure gonna miss that. She enjoyed coming to our music get-togethers. She told me once that she didn't sing, but that we needed someone to listen and she guessed the was her part. I have personally never heard a her say a bad word about anyone and was always ready to share Gods love. I know she's happy now, being in heaven with Jesus and all her loved ones. I will always love you, Aunt Marie.
