“ *Aunt Mae was one of a kind. When I was little we lived across from her and Aunt Estelle on the hill. Her and Daddy use to grow watermelons and and all kinds of garden stuff. Wow I miss all those times. Rest in peace Aunt Mae, tell all of them I said hey and I love them. Tell Daddy, Momma & Jill I really miss them and love them.*

“ *Mae was one of the best people I ever knew. Even though she was my mother, Hula Aline (Nelson) Cox' first cousin and my second, she was one of my dearest beloved friends to me. Memories spent with Mae were priceless and will always remain in my heart. I loved Mae with my whole heart and will miss her beyond measure. I could never repay her for all the love and joy she brought into my life and filled my heart with. I know she knew how deeply I loved her and I know she will be awaiting our reunion again one fine day when we will embrace one another again. Oh what a joyful day that will be!*
