“ *Kim I know I don't have to tell you how special your daddy was he was patient and kind and loved you more than anyone in this world he was the daddy I always dreamed of, bless his heart as far as I knew he never went on a date unless you and I went with him. I think of him and smile he was such a big part of my life with you, just know he is safe and know he loves you dearly and one day we will see him again when we all get to Heaven. Can't you just see him in Maw-maws arms.*
