“ Johnny Mac and I sat at my mother's kitchen table and wrote this poem together.

*As I look into the sun  
With tears and eyes of red  
Silent thoughts within my mind  
Deep within my head  
Thinking of how you were so kind  
Five steps ahead  
One step behind  
As Cinderella woke at day  
My broken heart has cleaned the slate of all my yesterday's  
As I look into the sun the end has just begun*

*I haven't seen him in many years and did not know he had passed until I tried to find him and I was exactly a week late as today is 11/15/2016. I will miss you brother. I am his little sister Jennifer Blanton. If Carla or Walter reads this please call me 256-305-5068 or 770-203-3950.*
