Tribute Wall

FR

“ To the Herring family; I want to offer my condolences and I pray that you have the support you need now and in the days to come. When you need the support when the crowds fade away and the moment is still and quiet. May you have what is expressed at Proverbs 17:17 " A true companion is loving all the time and is a brother born for when there is distress. At your most distressing times I pray you have that true companion.
